

JIMTOF 2022 INVITATION

Our Booth : East Hall 7 E7017

We are going to introduce various high accuracy and efficiency measurement systems and management of the measured data. We welcome your visit and you could find beneficial products.

Thank you very much for your continuous business with us.
 We are going to exhibit our products at The 31st JAPAN INTERNATIONAL MACHINE TOOL FAIR. This fair is going to be held for the first time in four years face to face. We are going to promote our highly effective and accurate products as "GLOBAL BRAND supporting measurement".
 We look forward to welcoming you to our booth.
